As the CHC, we also wish for collaboration on issues of particular significance to Canadians of Hellenic origin, including – but not limited to: for Canada to continue growing trade relationships with Greece – a reliable trade partner – and to support and collaborate with Greece on mutual geopolitical issues, as well as, the formal recognition of the Genocide of the Greeks of the Ottoman Empire by the Canadian government.

Once again, the Canadian Hellenic Congress looks forward to collaborating with you on these important – for the future of Canada – issues.

Yours sincerely,

Dr. Theodore Halatsis  
President
